AFFAN ADNAN

DESIGNER / ANIMATOR

A 20-year-old creative professional with over three years of experience in design, specializing in graphic design, video editing, and animation. Proficient in Adobe Suite, Canva, Figma, Elementor, and various animation software, I deliver high-quality visuals that enhance brand identity and captivate audiences. With expertise in creating compelling graphics, impactful videos, and engaging animations, I blend creativity with technical skill to bring innovative ideas to life. My goal is to master all fields of animation, including CGI and VFX, and achieve professional success in the industry before completing my bachelor's degree in 2028.
